### OUR STORY

Essex-born and London-based, we're a burger truck turned raved- about  
restaurant in the heart of Shoreditch. To find the perfect patty  
we drew inspiration from burger joints across America - Miami, Vegas LA and  
NYC. We have re-imagined this in our own unique style, with quality british  
ingredients. We're known for bringing some of the best burgers to the capital,  
championing freshly ground dry aged beef made from choice cuts of meat,  
alongside our signature sauces and sides.
